*Moorover, Maurice Bernard (gnosticwarrior.com) notes "Pope Francis has issued one of the most important Apostolic Letters of our time on the jurisdiction of Judicial Authorities of Vatican City State in Criminal Matters. This letter was addressed to all the public officials of the Roman Curia around the world, and not just those who reside in the Vatican City State. Pope Francis had ended with, 'I establish that this Apolistic Letter issued Motu Proprio will be promulgated by its publication in L'Osservatore Roman, entering into force on 1 September 2013.'" What this basically means, is that all public officials that are under Roman Curia rule of law will have to comply with this letter. Hence, they will have to simple resign or be fired by the date of September 1<sup>st</sup>, or they may face international criminal prosecution.*

**His-Imperial-Majesty:** bestows honor and respect to Emperial Crown Prince Ramisis-Ramesses Abel Bey (PBUH) /Prince Hutan Tupak Bey [sic], for the wisdom and knowledge he shared with me in our talks we had for the short time we cross paths! One conversation we had ☞ will share here: conversation between Emperial Crown Prince Ramesses Bey and Maku: Thunder Fire in and around the middle of April 2003 A.D.:

Maku: Thunder Fire: peace Prince Bey; Emperial Prince Ramesses Bey: peace bro Khufu

Maku: Thunder Fire: been a while since we last spoke

Emperial Prince Ramesses Bey: yea it's a been a minute and how are u, Thunder Fire

Maku: Thunder Fire: doing fine Prince Bey, just doing my best to learn how to run this Government we established.

Emperial Prince Ramesses Bey: that's what I need to talk to u about.

Maku: Thunderfire: alright, let's talk

Crown Prince Ramesses Bey: ☞ know this is not going to sit right with a lot of folk, but this is what I need u to do. ☞ need you to get nationalize as a Washitaw Muur as soon as possible.

Maku: Thunderfire: hold up Prince Bey what do you mean you want me to get nationalized under the United Washitaw as a Washitaw Muur?

Emperial Crown Prince Ramesses Bey: yes, my brother. Well you see Thunder Fire, ☞ see you are Yamassee, but ☞ also know you are Washitaw.

Maku: Thunder Fire: yes, Prince Bey ☞ know I'm Washitaw, I'm Yamassee-Washitaw, but what's the difference?

Emperial Crown Prince Ramesses Bey: There is really no difference, we are all cousins Thunderfire, but the gift you got Khufu/Thunderfire is special. That's why ☞ address u has Maku: Thunderfire and I know the rest of the folk around us don't like it. You really don't know the gift you was given do you?

Maku: Thunder Fire: Well Prince Bey ☞ have been growing into it since ☞ was born, and hearing folk tell me their side of it, so ☞ just keep growing and learning until it manifests; but you know Prince Bey it's hard to trust folk, especially the ones that's a part of the Yamassee Government and the United Washitaw.

Emperial Crown Prince Ramesses Bey: You may be with the Yamassee Government, but the Yamassee Government is not with you. The Yamassee Government is thriving off of your energy. You are the one ☞ have been looking for (*Long conversation on Washitaw history so I would know the truth from him*). Afterwards from that journey he quoted: I need you to get nationalized under the Washitaw as a Washitaw Muur and I will create a secondary chief position for you because you cannot hold two positions with two governments. Don't trust Yamassee, don't trust Washitaw, and don't trust anybody! Do, what ☞ ask you to do; get nationalized and you will understand down the road!

Maku: Thunder Fire: boy this not going to sit well with Latef (Chief: Blackhawk).

Emperial Crown Prince Ramesses Bey: Latef (Chief: Blackhawk) will be fine, we got a Treaty together. He just wants all your energy!

Maku: Thunderfire: done deal then, I will create the paperwork and get with Zakur!

Emperial Crown Prince Ramesses Bey: that's what ☞ mean; just don't be too loud with it.

Maku: Thunder Fire: Love you, Prince Bey.

Emperial Crown Prince Ramesses Bey: the feeling is mutual, Bro: Thunderfire, ish:

## Imperial Hall of Records – Quotes of known and unknown Masters:

Solemn Rule – a dedicated determination to be themselves and not someone else!

"Hear ye and listen, O my children, Magic is knowledge and only is Law. Be not afraid of the power within thee for it follows Law as the stars in the sky." ~Deity: Thoth the Atlantean

"Know ye that to be without knowledge, wisdom is magic and not of the Law. But know ye that ever ye be your knowledge can approach closer to a place in the Sun." ~Master: Tehuti "Thoth"

"Walk in the Light of the Sun, as if all can see you at all times. Bathe in the light of the sun as if it can, as it does, heal all things. Take each step in its warmth as if the sun is your true loving parent, and think of it as the source of all life, as we all know it is. For without the sun there would be no life, as we know it. This we all know." ~Atum Re

"Know ye not, O man, of your heritage? Know ye not ye are truly the Light? Sun of the Great Sun, when ye gain wisdom, truly aware of your kinship with Light (*Sun of the morning, living forever, a child of the light, shining with brightness, star of the Morning*):" ~Deity-Master: Thoth

"The wise man lets his heart overflow but Keeps silent his mouth. O man, listen to the voice of wisdom; listen to the voice of light." ~great Grand Hierophant: Thoth the Atlantean Priest-King

"Don't try to change the wind or the sea, just change the sail." ~Atum Re

"There's only one real constant thing in life, and that is change." ~Atum Re

"In order to change the people, you must change their literature." ~Fifth (5th) Marquis de Maison Rouge, Crown Prince: Timothy Drew a/k/a Noble Drew Ali/ Sheik Sharif Abdul Ali

"Before the Continental Flag (united states of Morocco at North America-Moorish Republic) & Moorish Al Moroccan Flag (Al Morocco/federal Government was taken down in 1774 A.D.; and the Imperial Royal Red Flag for the Emperor of Morocco, in 1789/90? – Treaty and Constructive Agreement Flags) was taken down by the ninth (9) Masonic Proprietor to the President's Palace in 1791, GEORGE WASHINGTON; the Pope was considered the Warrior-General against the Moorish Al Moroccan Empire. After the Imperial Red Flag was cut down, the Pope became the Chief Protector of Corporate fraud. By issuing the *Motu Proprio via Apolistic Letter* on 11 July, 2013, effective 1 September, 2013; Pope Francis separated his position as protector of private & corporate fraud and no longer protects the gangster cabals." ~H.I.M: Sambhu Ameni-Re

## 7 Orientation of New Imperial Executive Council Nationals:

### 7.1 Process

The process of orientation for new Imperial Executive Council Nationals-ICMYEGEC is as follows:

- A. The Imperial Chancellor will provide all policy documents not required by ICMYEGEC nationals to perform his/her duties as a delegate;
- B. The Imperial Chancellor is responsible for all training required for new ICMYEGEC nationals namely:
  - B.1. Imperial Culture & Collaboration
    - B.1.2 ICMYEGEC Safety & Security

- E. The entire orientation is completed within eight (8) months of the time a CMYE-NAMA /Olmec Kingdom national joins the ICMYEGEC.

### 7.2 General Principles

It is important and helpful for each ICMYEGEC American State Citizen to have general guidelines to follow or refer to as they represent the CMYE, IIMC, ICMYEG, ICMYEGEM, ICMYEGC, and CMYE-NAMA/Olmec Kingdom nationals in meetings, forums and/or hearings. It is not the intent of this policy to dictate what must be said or how to say it; rather, the principles outlined below set some general standards of participation while reminding each ICMYEG Executive Council American State Citizen of standing policies.

- A. An IIMC Assembly action on a policy issue, or an ICMYEG Executive Council action on a policy issue when the IIMC Assembly is not in session, is the official position of the ICMYEG Executive Council on a particular issue. All statements or votes, in meetings where an ICMYEG Executive Council member has a vote, must be in support of or complements that position.
- B. It is a reasonable expectation for an ICMYEG Executive Council member representing the ICMYEG, ICMYEGEM, ICMYEGC or NAMA/American State Citizen to know the position of the ICMYEG Executive Council or, in not knowing, consult with the ICMYEG Executive Council through a meeting or virtually by telephone and/or video conferencing, before making official statements on topics and issues of importance.
- C. Whenever possible or practicable, the ICMYEG Executive Council shall represent the CMYE-NAMA/Olmec Kingdom national, or, when in the interests of the NAMA/American State Citizen, the ICMYEG Executive Council may approve a resolution appointing an individual to represent the CMYE-NAMA/Olmec Kingdom national. At a minimum, the Imperial Chancellor will construct a letter or similar writing of appointment for the national in advance of participation.

- D. The ICMYEG Executive Council shall provide testimony to public hearings, or in the instance another is appointed by the ICMYEG Executive Council to represent the IIMC, ICMYEG, ICMYEGEM, ICMYEGC or CMYE-NAMA/Olmec Kingdom national-American State Citizen, he/she will work cooperatively with the ICMYEG administration who will be writing the testimony.

## 8 Consultation and Advice:

---

The Imperial Constitution for the Continental Mu'urish Yamaxi Empire authorizes the Protector via the Imperial Royal House of Sampson El-Sambhu Re to commission the ICMYEG Executive Council to engage with outside entities to further the interest of the ICMYEG. The ICMYEG Executive Council shall determine such representation upon the recommendation of the Imperial Chancellor or any member of the ICMYEG Executive Council.

### 8.1 Recommendations

- A. All recommendations to participate should be put in the form of a recommendation stating:
1. Why it is important for the ICMYEG to participate;
  2. Who should attend;
  3. Whether travel is required or a written submission is sufficient; and
  4. The content of oral and written testimony.
- B. Every effort will be made to have recommendations to participate in a conference, meeting, hearing or public forum on the agenda of a regularly scheduled meeting of the ICMYEG Executive Council.
- C. Where notice of a meeting requiring travel is insufficient to place on the agenda of the next regular meeting, every effort will be made to conduct the meeting virtually by telephone and/or video conferencing on the recommendation.
- D. In the event it is not possible to decide neither at a regular meeting nor through a teleconference meeting, a poll will be taken of each ICMYEG Executive Council member asking for their vote for or against.

### 8.2 Appointments Process

The Imperial Chancellor has the authority to appoint and notify the ICMYEG Executive Council of such appointments. For the purpose of this policy the method of appointment adopted by the ICMYEG Executive Council shall provide for broad participation of ICMYEG Executive Council nationals in hearings, meetings, boards, commissions, committees, and Native/Indigenous Organization Boards and Councils that promote the ICMYEG's interests.

- A. The process of appointment(s) following an election of the ICMYEG Executive Council shall be as follows:
1. ICMYEG Executive Council national shall indicate their interest in participating.

  3. Should there be more CMYE-NAMA/American State Citizens interested in participating than there are positions available; the ICMYEGEC will reach a consensual and mutual agreement.

## 9 Parameters of Participation:

---

It is generally understood and accepted that ICMYEG Executive Council nationals selected to represent the CMYE-NAMA/Olmec Kingdom nationals or the ICMYEG in hearings, meetings and conferences are encouraged to speak, including their own personal feelings and convictions provided they are not in conflict with ICMYEG policies, position or procedures. ### **The right to act comes with the responsibility to act!**

The "Sovereign Countries/States": Continental Mu'urish Yamaxi Empire; Imperial Moorish Al Moroccan (American) Empire; and His Imperial Majesty Royal Post/Imperial Royal Kingdom, via the *Sovereign of Mission* exercising plenary civil power upon the land per the organic American states of the Union known as The United States of America (*major*)-Territorial Sovereignty, supreme Authority, Full Faith, Credit, Venue, Allodium Estate Rights, Imperial Red & National Flags-Inherit White Privileges, Amity, Commerce, Navigation, Diplomatic/ Foreign Sovereign/ Jurisdictional Immunities of the States, and Treaty Rights to the Moment of Creation by and through the GOD of all GODS, the Spirit-Sun, the Sovereign of the Sun Spheres:

### For the Knowing, Bliss:

Destroy the Barriers! What are the Barriers? Thinking is the basic barrier. When you think, a barrier of thoughts is created... between you and the reality a wall of thoughts is created... And thoughts are denser than any stone wall can be. And then there are many layers of thought. You cannot penetrate through them and see what the real is. You go on thinking about what the real is and you go on imagining what the real is and the real is here and now waiting for you. You go on thinking about what the real is. But how can you think if you don't know? You cannot think about something which you don't know; you can only think about something which you already know. Thinking is repetitious, tautological; it never reaches to anything new and unknown. Through thinking you never touch the unknown; you only touch the known, and it is meaningless because you already know it. You can go on feeling it again and again; you may enjoy the feeling but nothing new comes of it. Stop Thinking! Dissolve thinking, and the barrier is broken. Then your doors are open and the light can enter. And once the light enters, you know that the old is no more. (Ramtha)
