How fitting the Gambia Roots Festival begin in the Americas, the land in which colonizers continued to sacrifice our culture, attempt to hide the **facts** that our birth right was stolen **and** re-organized the systems eliminating our indigenous rights to self govern by enslaving and kidnapping our ancestors.

Emperor's Directive-0004Z: Imperial Constitution of the Continental Mu'urish Yamaxi Empire-Imperial Royal Kingdom/ICCMYE **dated**, 3 April, 2013:

Part 2: We Must Have

Imperial Law 2: Truth

We the Indigenous Natives of the Country of United - states/Imperial Moorish Al Moroccan(American) Empire; *via* His Imperial Majesty's Royal Post; *pursuant to* the Continental Mu'urish Yamaxi Empire-Imperial Royal Kingdom, uSA/USA **"NAMA/Nibiruans-Amurru Waxitaw Muurs de Dugdahmoundyah-Mu'urish Yamaxi American Natives-Al Moroccans/Moroccan-Americans are aboriginal - autonomous man/ woman-souls, Nibiruans, Anunnaqi, Elul, Olmec, Nommo, Tama-reyeaat/Ancient Egiptian, Xi, Yamaxi, Amurru Waxitaw Muurs de Dugdahmoundyah (Mound Builders), Original Xirokee, Black-a-moors/Black-a-muurs, Mu'urish-Muur-Moor-Moorish American-Al Moroccan, Creek, Ancient Moabites, Haudenosaunee, Seminole, Xikasau, Shushuni, Xicora, Inca, Mayan, Atlantean and Lemurian ascendants"**, must know the Truth of Ourselves, Our-Story, Our Culture, Our Language *"we speak a dialect of the English language* (ህላቅርዳዊ ርእሰሀሳብ), *Yamassic* (ሃሞሳሠሠዳ) *or, Nuwaupic* (ሲህህሆቆዳ) *which is Muskogean* (ሲህህሆቆዳ)". The official language of the Imperial Moorish Al Moroccan (American) Empire-Imperial Royal Kingdom is Yamaxic (ሃሞሳላዳ). It's a fact that the Muskogean script is over 30,000 years old mixed Medan, Setitic and Egiptian.

By **Our-Story**, we mean that of our Ancestors the Nuwbun of Uganda who moved westward to become the Olmecs who birthed the Indigenous Waxitaw Muurs/ Yamaxi Natives of this very land, now being called America, both north and south, as well as the whole land of what is being called Africa. NAMA /Moroccan-Americans **bloodlines** are of the Nibiruans, Anunnaqi, Elul, Nommo, Xi, Tama-reyeaat/Ancient Egiptians, Olmec, Amurru Washitaw/Waxitaw Muurs de Dugdahmoundyah (Mound Builders), Yamaxi/Yamassee, Original Xirokee/Cherokee, Black-a-moors/Black-a-muurs, Mu'urish-Muur-Moor-Mu'ur-Moorish American-Al Moroccan, Ancient Moabites, Xikasau/

Chickasaw, Haudenosaunee, Inca, Creek, Seminole, Shushuni, Xicora, Mayan, Atlantean and Lemurian descendents/ ascendants...

We are a very old people. We were on this land Muu-laan over 100,000 years and 30,000 in what is called Georgia, Florida, and the Carolinas of today. We previous called it Al-Tamaha meaning "The Path to Tama"! That's why one of the names for Mother Earth to us is Tama-Re! It must be made clear **to** all that we are Mu'urish-Mu'ur-Muur-Moor-Moorish Americans-Al Moroccans, Xi also spelled Shee or Shi, Amurru Waxitaw Muurs de Dugdahmoundyah (Mound Builders) and Yamaxi/Yamassee also spell Jamassee. We the Nuwbun Mu'urish-Mu'ur-Muur-Moor-Moorish Americans-Al Moroccans, Amurru Washitaw-Waxitaw de Dugdahmoundyah (Mound Builders) are the first Natives of this Muu-laan; we are Indigenous NAMA/ Moroccan-Americans. Many Euro-Americans and American Indians do not want to accept the fact that Indigenous American Natives are Black. Well, they should make an attempt to get over it! The **fact** remains that over 65% of the Black population on the planet are Nuwbun, Black (*Mu'urish-Muur-Moor-Moorish American-Al Moroccan, Xi-Shi/Shee, Amurru Waxitaw Muurs de Dugdahmoundyah (Mound Builders) and Yamaxi/Yamassee*) Indigenous American Natives. Throughout his-story, historians have tried to eliminate Our-story. They never forget to mention that Euro-Americans (ህላቅርዳዊ ርእሰሀሳብ) mixed in with Nuwbun Muurs-Moors (ሲርሻጽሀ) **or** that Euro-Americans mixed in with the American Indians (ሃሞሳላዳ ርእሰሀሳብ). But they always forget an important factor! How did the American Indian get here? American Indians are an entire race of people existing whose lineage are a mixture of the Olmecs from Nuwbun roots, Xi-Shi/Shee, Hexians (ፕሀህ-ሀፕህ) from China as well as Dravidians of East India who crossed the Bering Strait and created the Aleutian American Indian, related to the Eskimos, a mixture of East Indians and Orientals /Asians. If we start at the latest discovery, there is no denying the scientific fact that Indigenous American Natives are Black! In the New York Times dated Wednesday, 7 April, 1999, in the article titled, "Entirely preserved Inca Mummies Found" on pages A1 - A19 by "John Nobel Wilford" it states:

"After climbing to the 22,000-foot summit of a volcano in northern Argentina, archeologists have found three frozen Inca Mummies, 500 year old remains... 'Two of the mummies were in such excellent conditions; physicians said that all their internal free organs were intact. It was as if death had been only recent.' The bodies of two girls and a boy were buried beneath five feet of rock and dirt, amid a cache of statuettes, pottery... 'Dr. Richard Burger an archaeologist of early Andean civilization at Yale University', said the preservation of the bodies gave medical scientists an opportunity to conduct revealing test of the diet, health, and genetic composition of these people."

It is obvious by these findings and the physical features of the 500-year-old Inca mummies that has been found that Indigenous Black American Natives

THE GAMBIA ROOTS FESTIVAL FLOTILLA - AMERICAS TO KHEM/AFRICA:

One of the greatest stories ever told and the biggest lie you have ever heard. All that any one has to do is look at the colossal Olmecan heads that have been found all over Central America, and they will see that these Naga Warrior Priests as they have been called are not orientals or jaguar babies but Africans, Nuwbun(s). Some archeologists have gone so far as to suggest that the large lips and noses on these sculptures are the results of jagged, faulty tools, that the Olmec used while craving, or they are the faces of Jaguars. To "Set the Record Straight", the Jaguars were used by the Olmecs because that was the main animal that roamed swamp areas that they lived in. Just as the Bennu bird is given praise in Ancient Egypt, or the Phoenix Bird is given praise on the money of the United States of America. The Euro-Americans will say anything to keep you ignorant of your culture, and who you really are **now** as Autochthon/Indigenous ~~~ Autonomous/Sovereign-NAMA/Olmec Kingdom nationals-American States Citizens/Moroccan-Americans, with Autonomy; **we** have the **Royal** rights to preserve our own culture, language, freedom, liberty & justice, Just for **Us**...

These Olmec statues, in which I/we speak of, were carved out of the single boulder of Basalt. Some have been recorded weighing in at up to 20 tons and can stand up to 8 feet tall and 5 feet wide. This is why the Imperial Moorish Al Moroccan (American) Empire pursuant to the Continental Mu'urish Yamaxi Empire-Imperial Mu'urish Yamaxi Consulate Great Seal traces us back to the original-organic Amexem (Americas) the original land of Muu-laan, the soil/land of our Ancient foremothers & fathers. The question of how they were moved 40 miles up the swamp land in La Venta, Mexico and sculpted in such primitive times, remains a mystery to this day!!! This same mystery remains to this day with the construction of the Tama-reyeaat/Ancient Egiptian Pyramids, and other Pyramids all over **Mother Earth**. The **Mound Builders** in Southeastern North America (*Carolinas, Georgia, Alabama, and Florida*) formed the Proto-Yamaxi, Creek, Xickasaw, Xirokee, and Tuscarora all of whom were called Muskhogean stock. Our Mu'urish-Muur-Moor Indigenous American Native ancestors were a proud and gallant people of the "Enen El Lehum-aat"/"Aninumweyan" (*We the Natives/NAMA*) indigenous societies of Amexem (Americas), our home land, Alkebu Lan.

ICCMYE updated on Friday, 6 November, 2020, via Part 1 Imperial Law 1: Emperial & Imperial Sovereign Powers-1: The Sovereign Power to exercise Emperial & Imperial Royal Crown "Prerogatives".

Imperial Moorish Al Moroccan (American) Empire
pursuant to the Continental Mu'urish Yamaxi Empire-
Imperial Mu'urish Yamaxi Consulate Great Seal:

It is a **fact** that religions and legal codes helped perpetuate the mental colonization of self-hate and destruction of our true essence. Before the Invention of sails "Africans" were able to sail the waters by learning the tides and currents of the Atlantic and Pacific Oceans. There are two main currents running from Alkebu-lan/Khem/Africa into the Americas, they are the Guinea Currents and the Canary Current. "The Guinea Current" flows eastward along the Guinea Coast, with frequent cycles out to the sea, where it joins the South Equatorial Current. "The Canary Current" flows southward along the coast of Alkebu-lan/Khem/Africa to Cape Blanc or Cape Verde (*Depending on the season*), where it splits. One branch continues south along the coast. The other branch flows into the Atlantic and becomes the North Equatorial Currents. *This strikes the American Coast in a broad band from the Guianas through the Antilles.* The Strongest part of this current runs along the coast of Venezuela from Trinidad to the Guajira Peninsula; and the coast of Senegal and The Gambia was a propitious region indeed. For this was the Atlantic border of Ancient Mali. It was out of the Senegal River into the Atlantic that the fleet of Abubakari, half brother of Mansa Khan Khan Musa sailed from the West Islands. *Ben York's mother's father was the Idrisids. Mansa Khan Khan Musa's people were called Muur, by the French, and some grafted this term Muur into their language from what they were being called in the Latin Morenos, Moor for Blackness, which was a compliment to the term "Negra", meaning "Black".* In later years, the Muurs were called Moors, also spelled Moore, Maur, and prefixes many names today, as Mar, in Marie, Martin, Maori, Mauritania, Maurice, Maurine, Morehead, Morehouse, Morell, Morgan, Morrison, Morris, Murphey, and many more; even, the prefix of Irish names, such as Mc-Donald, Mcdouglas, Mcdougal, Mcveigh, Mc-Cray. The MC- was the abbreviation for the presence of Moors in Ireland. *The Empress of the (Empire) Washitaw Muur de Dugdamountyah, the late Verdiacee 'Tiari' Washitaw-Turner Goston El-Bey, Declared "That the term Muur is from the Land of Tadmor". These Malians arrived here as Muurs, and they met with the Olmecs, the People of Muu, or Tadmoor, The Ancient Ones, who they lived with and mixed with freely, which resulted in the Washita-Washo-Washitaw-Waxitaw.* One of the offspring's of this mixture was Ben York, or Mr. T. The Idrisids were the earliest Islamic ruling Dynasty of Southern Morocco and Mauritania, who came into Morocco before the invasion by the Dogon Malians and the Senegalese in 1727 A.D. The Dogon Tribe of Mali produced many early sailors, such as Mansa Khan Khan Musa who sailed over to these shores in search of his half brother Abubakari, same father, different mother, who dropped Islam and sailed here to America in 1311 A.D., and mixed with the Washita Tribe as Olmec, originally from, Nuwba, before they tied into the vines. When Abubakari, the half brother of Mansa Khan Khan Musa arrived on the shores of America there were already Olmecs here from Nuwba, of Southern Sudan, known as Nuwbuns, the original *nine ether* woolly haired beings, not the Nubians. The Olmecs are also referred to as rubber people. They

came here before the Continental Drift, by walking over here, millions of years ago, and setting up what is called Atlantis, coming from the Ancient Mitsrayim Language of Ashuric branch of the Cushite Language, which can be found in Arabic as Atlan, from the root Atla, Meaning "To vacate, or travel to another place", so they named the place Atlan, which is dual in Arabic, explaining one for South America which became **Amexem** from Hexian and Aksum, and one for North America which was **Atlan**; **Moorover**, the name York is a British name from "Yorkshire, Northern England". Ben York's Parents were named after the two Great British families, the "Yorks" and the "Lancasters" (Battle of the Roses). York was the ruling House of England (1461-1485 A.D.), including Edward IV, Edward V, and Richard III. During the Wars of the Roses its symbol was a White Rose. *York is a borough of Northern England on the Ouse River East-Northeast of Leeds. Originally it was a Celtic settlement, meaning it was occupied by Moors, because the Celts were the aboriginal Moors who inhabited Ireland, they were also known as the Tuatha de Danaans.* Where the title Mc-, Mac comes from in Ireland; the town was later held by Romans (Italians), Angles (English), Danes (Danish), and Normans (Scottish). The Danes also Danari or black Danars of Denmark, were also Moors, they are recorded as being "Dubb", meaning black. In 1644 A.D., during the English Revolution, York surrendered to the Parliamentarians after the Battle of Marston Moor nearby. Marston Moor is a site in Northern England west of York. The combination of people from Europe who came in contact with these dark olive toned natives, referred to as blacks, which translated in the Italian, who spoke Latin as "Morenos" and the French as "Muurs" and the German as "Maurus" and the Greeks "Mauros", which became simply "Moors", and also the Spaniards referred to them as "Negros" meaning "Black", the combination of Morenos-Negros, you'd get **Black-a-muurs/Black-a-moors, Droit...**

Spiritual Return of the Ancestors and the Neteru through The Middle Passage Navigates the Bermuda Triangle

The Bermuda Triangle is one of the most infamous bodies of water in maritime history, stretching across the Caribbean and the mid-Atlantic Ocean between Miami, the US Virgin Islands and Bermuda. The superstitious among us are well aware that the Bermuda Triangle is associated with missing ships, weird weather phenomena and ghostly alien encounters.

In 1999, this provocative legacy was combined with the healing intentions of the Middle Passage Monument Project that pays tribute to the millions of enslaved Africans who either jumped or were thrown overboard during the slave trade between Africa, the Americas and Europe. With the approval of UN General Secretary Kofi Annan the 16ft tall steel arch monument was deposited on the sea floor some 427 kilometers off the coast of the US east coast during July 1999, with the closest land mass being Bermuda.

This distance was chosen as tribute to the memory of some 427 souls whose remains were accidentally disinterred from the forgotten African Burial Ground at Wall Street in lower Manhattan, NYC where it had been recently discovered that tens of thousands of burials had occurred throughout the 17th and 18th century slave era.

The Bermuda Triangle itself was rededicated to the memory of the oceanic victims of the Middle Passage - now recognized as one of the largest underwater burial grounds in human history. Accordingly, a replica of the original monument for the living - called the Millennium Arch - was sponsored by the Bermuda Imperial Group and installed on the federally owned property of the U.S. Virgin Island's St. Croix Educational Complex, where it still resides.

THE GAMBIA ROOTS FESTIVAL FLOTILLA - AMERICAS TO KHEM/AFRICA:

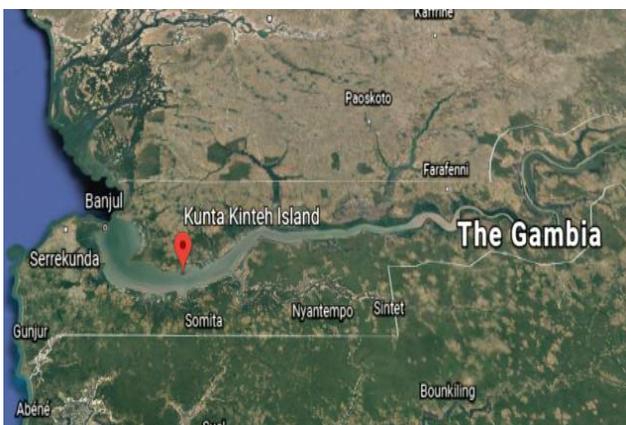

The Emperial Group Founder, Gladwyn Simmons, had previously orchestrated the 1997 Documentary of "Birth of a Trust: Bermuda's History through Music" as well as Bunny Wailer's Pay-Per-View performance in 2000, a "first-in-the-world" event and sponsored the Millennium Arch Committee's historic vision.

Historically while Bermuda provided the venue for the Second African Diaspora Heritage Trail (ADHT) Conference (Hamilton, Bermuda, 27 September-1 October 2006), with the United Nations Educational Scientific and Organization-UNESCO's contribution through its Slave Route project, the Bermuda African Diaspora Heritage Trail was conceived to celebrate the African traditions of the island and affirm its importance in the modern Bermuda life.

In this 6260th year, Bermuda is inviting the world to make the pilgrimage to revisit the maritime roots of the slave trade as we memorialize our shared Ancestors and Ancestral History through the Spiritual Return of the Ancestors and the Neteru.

The journey to and along The Gambia River will be celebrated by, attract and be broadcasted to Afrikans worldwide through the auspices of The World Media Coalition to unify wherever they are in the world to support this Spiritual Return of the Ancestors and the Neteru return home as we begin the collective healing from the slave trade and its aftermath of racism during this 2015-2024 International Decade for People of African Descent.

This *Emperial Royal Project* is endorsed by: H.H. Prince Andrew Williams Jr. who was inducted on 1 August, 2020, by: His Royal Majesty: Amb. Dr. Chukwudi Jude Ihenetu, Ezeigbo Foundation Ghana, the King of the Igbo's living in Ghana through the Monarchy of Yaya under the auspices of the Royal House of Ezeigbo, Ghana, by: Her Royal Majesty: Amb. Dr. Uba Iwunwa, International Representative of the Royal Throne of Eze Ohazurume 1.

Beginning in 2020, this Flotilla also champions the 20th Anniversary of the United Nations Global Compact founded by then-Secretary General Kofi Annan (PBUH), who was born in Kumasi in the Gold Coast (now Ghana) and also launched the 2000-2015 Millennium Development Goals, now in its 2000-2030 Decade of Action on the Sustainable Development Goals during this Fourth Industrial Revolution.

Furthermore, H.H. Prince Andrew Williams Jr. has secured the endorsement of His Imperial Majesty: Nana Kwasi Baffour-Addae Gyankofie I, who, on 25 August, 2020, adopted him into the Akan Kingdom as H.H. Prince Nanan Yao with the mission to preserve, promote, enrich and enhance its sovereign wealth and legacy throughout Ghana, Africa and the World.

THE GAMBIA ROOTS FESTIVAL FLOTILLA - AMERICAS TO KHEM/AFRICA:

Prince Nanan Yao is also the American-born International Coordinator for the Emperial Group. In this 6260 year, he is inviting the world to revisit the maritime roots of the slave trade as we memorialize our shared Ancestors and Ancestral History through the Spiritual Return of the Ancestors and the Neteru. The journey to and along The Gambia River to kick off January 1, 2021 launch of the African Continental Free Trade Agreement (AfCFTA) will be celebrated by **All**, and will attract Afrikaans worldwide to return home to begin the collective healing from the slave trade and its aftermath of racism.

Let's make this a "Brand New Beginning" to kick off the January 1, 2021 launch of the African Continental Free Trade Agreement (AfCFTA) as a Flagship Project of the African Union Agenda 2063, which promises to drive the Continent's growth, transform economies and quality of life by ourselves sourcing and delivering the foreign direct investment exchange through travel, trade and tourism needed to take control of our own narrative for the future, which is creating our own "Myology" as futurists and realists.

"Big Solar Flash coming 21 December, 2020, second Sun. All systems are undergoing a major change as Earth is constantly being bombarded by highly charged cosmic rays emanating from the galactic core.

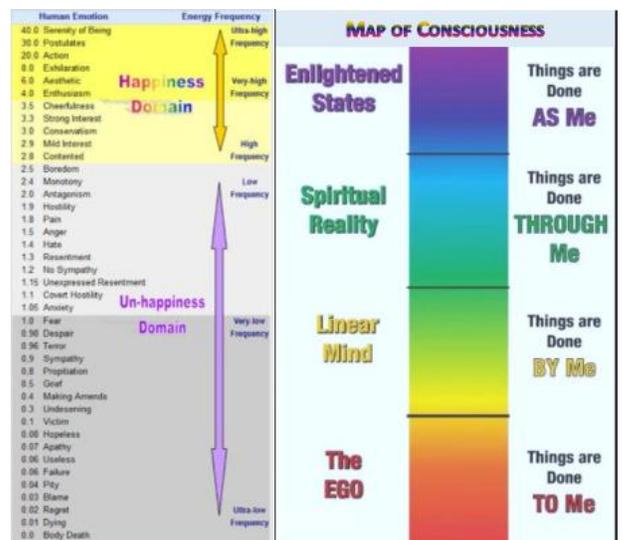

THE GAMBIA ROOTS FESTIVAL FLOTILLA - AMERICAS TO KHEM/AFRICA:

The galactic core, known as the Central Sun by the ancients and called Hunab Ku by the Mayans is located in the center of the Milky Way Galaxy, in the constellation of Sagittarius. The powerful black hole located there, has recently activated the cyclic mass activity that makes the whole cosmos vibrate higher. The explosion of these high-frequency cosmic rays reaching Earth has been measured by the elevation of the Schumann resonance, to vibrate in the range of 40 to 100 hertz, causing a supra-human state of consciousness. Precisely the lower limit of the fifth dimension begins at 20 hertz and the upper limit ends at 100 hertz. A dimension is not a physical place but a state of being consciousness that manifests itself as a perceived reality. This new higher dimension of reality that manifests in this world is what we call the new Earth and the new Heaven, it is the golden era that has been awaited for millennia **and** it is a new era of light for humanity. The Lemurians referred to the Central Sun as the Source of all life, all knowledge, all power, and the God of all Gods. The Central Sun is hidden Sun,

entirely different species within 48 hours. In the same way, this gamma light is activating the DNA called 'junk' in the human body to reconstruct the twelve plus one original strands of our species. The more strands of DNA that are active, the higher the level of consciousness of the human being. We know what comes from remembering our past and seeing the future within ourselves. We know what comes by what the alignments of the cosmos say. Everything is clearly written as signs in the heavens for those who have eyes to see them. Celestial events are readable, measurable and predictable, and what happens above is reflected below. The movement of the stars is the language of The Most High God. Celestial alignments have direct effect on human evolution and on planet Earth. The larger the celestial event the greater the physical and conscious impact it will have on humanity and on the perception of its experiences. This Great Solar Flash will occur before the end of this year 2020 and will be a massive eruption of white, blinding, magnetic fifth dimensional gamma light expelled from the galactic core that will be seen as a second Sun in the sky. The energy released from this emission from the Central Sun is known as the scope of understanding and will activate the mass ascension event of planetary consciousness. This light from this cosmic explosion will be so powerful that it will illuminate the skies of Earth for a period of a thousand years. It will be the prophetic millennium of light announced by all the spiritual traditions of humanity.
