The ICMYET shall collect, store and govern the recouping of assets for the **Emperial & Imperial Royal Purses**: The ICMYET assures-insures a "*sovereign gold-credit guarantee*", which is the highest form of credit in the World. This "*guarantee*" is what backs all Organs of the EIFE, regardless of its location on the Earth. This "*guarantee*" instills bilateral trust with all private parties in international transactions, regardless of the amount owed because once the contract(s) is solidified it is as "*good as gold*" and "*priceless*". The ICMYET is backed by the full faith and sovereign gold-credit and *sovereign* Authority for 🇳🇵 H.E.M.: via IROHEM of the \$999 Sextillion NAMA Gold Sovereign Bond-Credit, and is positioned to exercise the \$100 million in gold backed equity, pursuant to the Emperial & Imperial-Constitutional Rights per Imperial Royal Red Flag-sovereign land Rights, the Muur-Moor 48-Star of peace full faith and sovereign gold-credit Great Flag jurisdiction, and Emperial-sovereign land jurisdiction of the 'Royal Throne' for the Amurru Uaxashaktun Muurs de Dugdahmoundyah, in accordance with the Imperial Bennu Global Financial Institution (IBGFI), NAMA Global Banque (NGB), and NAMA International Central Banque (NICB). 🇳🇵

The ICMYET is headed by the Imperial Treasurer-Secretariat, appointed by 🇳🇵 H.E.M., and is comprised of dedicated financial experts and professionals serving as the financial backbone of the IROHEM and ECMYE-IRKR. The ICMYET operates with a sense of duty and commitment to the economic growth and well-being of the IROHEM and the ECMYE-IRKR. To achieve the **Imperial CMYE Treasury-Executive Mission hereafter ICMYET-Executive Mission**, the Imperial Treasurer-Secretariat institutes currency integrity by diligently safeguarding and managing the use of assets/resources for the IROHEM and ECMYE-IRKR. 🇳🇵

Therefore, in conclusion, the ICMYET-Executive Mission, also, is to manage the financial resources of the Autonomous Government and protect the financial stability of the Autochthon Country by fostering economic growth and stability. Through prudent financial management, effective policymaking and strategic decision-making, the ICMYET seeks to uphold fiscal integrity and contribute to the long-term prosperity of the Autochthon and Autonomous Country/State Government of the Americas. 🇳🇵

The Imperial Treasurer-Secretariat is the head of the ICMYET, responsible for overseeing the formulation and execution of economic and financial policies. Comprised of financial experts, economists, policy advisors and administrative professionals, the Secretariat staff supports the Imperial Treasurer-Secretariat (ITS) in executing the Department's ICMYET-Executive Mission. 🇳🇵

The ITS is tasked with formulating economic policies that support sustainable economic growth, job creation and broad-based prosperity. The ITS manages the Autonomous State Government's finances, including revenue collection, expenditure management and operations, to ensure fiscal sustainability and efficiency. The ITS monitors and takes measures to safeguard the stability of the EIFE, in accordance with NAMA Gold Sovereign Bonds, NAMA Gold Bonds,

NAMA Silver Bonds, NAMA precious metals, NAMA minerals, NAMA TA'XI coins, reserves, resources and World Money. Through engagement with International Partners, Domestic Organizations and Republic Nations, the ITS/ICMYET works to promote global financial stability and coordinate financial policies with other International Partners, Domestic Organizations and Republic Nations. 🚩

The ICMYET continually formulates, reviews and updates economic policies to align with the evolving domestic and global/international economic conditions. The ICMYET thru ITS engages in the day-to-day management of All autonomous governmental finances, ensuring that all the Revenue/Royalties collection and expenditure disbursements are conducted in a timely and efficient manner. In times of financial crises or instability, the ICMYET must be prepared to respond swiftly and decisively to mitigate risks and restore stability. 🚩

The ITS plays a critical role in ensuring the integrity of the Autonomous State Government's finances, also maintaining the creditworthiness of the ECMYE-IRKR and safeguarding the NAMA Gold Sovereign Currency, NAMA TA'XI Coins, NAMA Gold Sovereign Bonds, *including* World Money. By formulating sound economic policies and managing the Autonomous State finances prudently, the ITS aims to support sustainable economic growth and create opportunities for NAMA nationals. Through its regulatory and oversight functions, the ITS aims to protect the stability and integrity of the Autonomous State financial system, reducing the risk of financial crises and promoting confidence in the economy.

The ITS/ICMYET formulates economic and financial policies through rigorous analysis, research and consultation with stakeholders, while utilizing economic indicators and data to inform decision-making. Through effective budgeting, NAMA currency management and credit management practices, the ITS ensures the efficient use of the Autonomous State resources and the sustainability of public finances. The ITS exercises regulatory oversight over the Autonomous State Government financial institutions and markets, implementing measures to mitigate systemic risks and ensure compliance with international financial regulations. 🚩

The ICMYET requires budgetary resources to carry out its functions, *including* funding for staff salaries, administrative expenses, technology infrastructure, security, various programs and initiatives within its purview. The ITS's policies and decisions have far-reaching economic impacts, influencing the size and trajectory of the NAMA national economy, employment levels, and the overall well-being of the NAMA population. The ICMYET/ITS's regulatory and oversight activities have the potential to shape the behavior and operations of the State Autonomous Government financial institutions and markets, contributing to the stability and efficiency of the Imperial & Imperial financial system. 🚩

The ICMYET plays a crucial role in promoting & safeguarding the Autonomous Government and international financial stability through its engagement with global/international organizations and Domestic Organizations, i.e.:

- ❖ **The ICMYET engages with international organizations such as the World Bank (WB), International Monetary Fund (IMF), European Union (EU), G20 Nations and BRICS, to coordinate financial policies, address global economic challenges, and promote international financial stability.**

- ❖ Through participation in multilateral forums and negotiations, the ITS/ICMYET works to align global/international economic policy objectives and enhance cooperation among Sovereign Republic Nations to tackle financial risks and vulnerabilities.
- ❖ As part of economic diplomacy efforts, the ITS/ICMYET *in harmony with* NICB collaborates with foreign governments and central banks to discuss world financial and economic issues, exchange best practices, and build consensus on measures to promote stability in global financial markets.
- ❖ Economic dialogues and negotiations with key trading partners and allies provide the ICMYET with opportunities to address cross-border financial challenges and foster collaborative solutions.
- ❖ The ITS advocates for the adoption of full-bodied financial regulatory standards and practices across jurisdictions to promote a level playing field, reduce systemic risks, and enhance the resilience of the global/international financial system.
- ❖ Through ITS's engagement in standard-setting bodies and regulatory forums, the ICMYET contributes to the development & implementation of global financial regulatory frameworks aimed at bolstering the global/international financial stability.
- ❖ The ICMYET supports initiatives aimed at providing financial assistance to governments and countries facing economic and financial challenges, often in collaboration with international financial institutions like the WB, IMF, EU Nations, G20 and BRICS, etcetera.
- ❖ Through targeted financial aid programs and development initiatives, the ITS seeks to bolster economic resilience in vulnerable regions and promote sustainable growth, which in turn contributes to the global/international financial stability.
- ❖ The ITS facilitates the exchange of economic, financial data and analysis with international and domestic counterparts/organizations, enabling a better understanding of global economic trends, risks & vulnerabilities.
- ❖ By sharing information and insights, the ICMYET contributes to a more comprehensive and coordinated approach to monitoring and addressing potential threats to the global/international financial stability.
- ❖ In times of global financial crises or disruptions, the ICMYET collaborates with domestic and international partners to develop and implement coordinated responses aimed at stabilizing the financial markets and restoring confidence in the global/international economy.
- ❖ Crisis prevention efforts include advocating for sound economic policies, financial market interventions, *including* coordinated actions to mitigate systemic risks and contain the spillover effects of financial turmoil.
- ❖ By actively engaging in these areas, the ICMYET plays a proactive and strategic role in advancing the global/international financial stability, recognizing that interconnected global/international financial systems require collaborative efforts to address challenges which will promote sustainable economic growth across Sovereign Republic Nations. 🚩
